The following Star Wars Miniatures terrain maps are legal for tournament play at any point level. Organizers choose one of five map lists (Open, Standard, or Restricted A, Restricted B, Restricted C or Restricted D) for the tournament. The Restricted map lists are recommended. At any tournament above the Regional Level, all 4 Restricted Map lists will be used. **Restricted** use only from the specified Restricted list, **Standard** from both Restricted and Standard, and **Open** from all three. A few maps are not legal in any list.
